**Shi-Hsiung Gratitude Auditorium,
National Taipei University of Technology**

**13:30pm
13 March, 2025**

The NTUT International Affairs Office will be hosting a recruitment event specifically for international students on March 13th. The event will feature representatives from the National Development Council who will introduce the Taiwan Gold Card and Point System (Scoring Criteria). Additionally, HR representatives from Delta Electronics, the world's largest provider of switching power supplies, and KENMEC Mechanical Engineering, a globally renowned smart automation integration company, will present their respective companies. Students will also have the opportunity to submit their resumes at the event. The event schedule is as follows:

Date/Time: 2025/3/13(Thu) 13:30

Location: Shih Hsiung Gratitude Auditorium, Taipei Tech
